We have partnered again with Gemelli Pizzeria & Posto 22, two restaurants in New Rochelle, to provide our students with a great lunch program. Please read the information below carefully, as it contains many important details. Gemelli's & Posto 22 have worked with SJP for many years, and we are excited to offer this enhanced menu for our students. The menu offers many hot entree options throughout the week, as well as offering sandwiches and salads as additional choices each day.

As an enhancement to our lunch program, we have partnered with Hershey Ice Cream to provide ice cream and dairy free options for our students. The items offered are SmartSnack approved and are offered in over 15,000 schools in the United States.

Additionally, we will have beverages either as an add-on item on the order form or can be purchased from the lunch counter. Beverages will include fruit juices, seltzer water, and Pure Leaf iced tea. Soda and energy drinks will not be served. Parents may either include an *Add-On* item with their child's lunch order, or use the *Cash Register* option. (More information below on both options).

Menu Options

- Below is the weekly menu of hot entrees. Each day students will be served fruit and water with their lunch. In addition to some new menu items, pizza will be available each day of the week.

- Continuing this year, parents can include an *Add On* item to their child's menu, such as our Famous Cookie, snack, and/or drink. Snacks include chips, pretzels, fruit snacks, Oreos, etc. All snacks are nut free. New this year- apple sauce, yogurt, and pudding.

Ordering Process

The cost of lunch for Monday through Friday is $9.00 per day, with prices varying for pizza orders.

SJP has gone completely online for our ordering system. With the creation of the Family Portal through FACTS, all lunch ordering will take place directly through the portal, which will allow parents to have direct access to their child's lunch account.

Please click the link below if you would like to register your child/children in the lunch program this year. Attached is a step-by-step guide to create an account and submit your lunch order. **Lunch orders must be placed by Wednesday, September 2nd**

https://factsmgt.com

After September 2nd, the FACTS Cafeteria portal will close for September to January ordering. If you need to add or revise specific days after the first week, please email me at ascotti@sjpschool.org.

Revisions can be made throughout the year to your lunch order for the following month. All revisions must be submitted to ascotti@sjpschool.org by the 25th of each month. No revisions will be accepted for June.

If your child forgets their lunch at home, the lunch staff will provide them a meal and your FACTS account will be billed accordingly. **This is for emergencies only, not for regular use, as we order based on the pre-orders received.**

FACTS Annual Program

- **Please note, by participating in the lunch program, you are committed to the program for the entire school year.** If an order is not submitted for January to June, the system will automatically continue your September to December order.

- Parents will have the opportunity to submit an order twice per year for their child's lunch. Orders are submitted for September to January **(by September 2nd)** and for February to June **(by December 27th)**.

Cash Register Account

Parents will continue to have the opportunity to add funds to their child's lunch account for walk-up/ala carte purchases. We will have snacks (chips, pretzels, fruit snacks, apple sauce, yogurt, Oreos, ice cream, beverages, etc.) available for purchase. As an alternative option to cash, your child can purchase an item using the funds on their account. A student can have a walk-up wallet account without participating in the daily lunch program. Attached are instructions on how to add funds to your child's Cash Register account.
