

Welcome to 7th Grade ELA

Dear 7th Graders and Parents,

Summer vacation is almost here! I hope that you make it a time to **Rest, Relax, Read, and above all Enjoy!**

Reading, like a sport, involves practice and skill. Real skill building occurs when children read for pleasure and when they explore books about topics that interest them.

Students entering seventh grade are asked to read:

7A: Maze Runner by James Dashner and **7G: City of Ember** by Jeanne DuPrau. After reading the novel, they should complete the given exam and project. This will be collected and graded during the first week of school and will count towards their first quarter ELA grade.

Please encourage your child to read a minimum of thirty (30) minutes per day. Have a great summer! I am looking forward to being your ELA teacher in September.

Sincerely,

Rose Scozzari

Mrs. Rose Scozzari

- a. 100 men, women, and children
 - b. 200 men, women, and children
 - c. 100 children
 - d. 150 men and women

Section 2: City of Ember book project: Choose ONE of the given choices.

1) Ember Board Game: Create a board game about Ember. Make it fun, creative, and colorful. It should include the major plot points of the book and the end goal should be “Escaping from Ember!”. Include instructions on how to play. We will play your game during class when we return.

2) Travel Brochure: Imagine you are a travel agent who arranges vacations to exotic and unusual destinations. Create a travel brochure for a trip to the city of Ember. What are the “hotspots” vacationers should not miss? What local cuisine (food) would tempt hungry travelers? How would people get there? Make your brochure colorful and eye-catching so that your customers don’t change their minds and go somewhere else instead.

3) Museum of Ember: Ember has become a historic civilization 100 years later and several artifacts have been saved in a museum. Create a museum display with at least 6 artifacts from Ember and a detailed description of what the artifact is, what it was used for and why it was important. Make sure to choose artifacts that are important to the story and describe the significance to the city. Include a one page announcement/advertisement for your museum that highlights what visitors will see at the museum.
