

We have partnered again with Gemelli Pizzeria & Posto 22, two restaurants in New Rochelle, to provide our students with a great lunch program. Please read the information below carefully, as it contains many important details. Gemelli's & Posto 22 have worked with SJP for many years, and we are excited to offer this enhanced menu for our students. The menu offers many hot entree options throughout the week, as well as offering sandwiches and salads as additional choices each day.

As an enhancement to our lunch program, we have partnered with Hershey Ice Cream to provide ice cream and dairy free options for our students. The items offered are SmartSnack approved and are offered in over 15,000 schools in the United States.

Additionally, we will have beverages either as an add-on item on the order form or can be purchased from the lunch counter. Beverages will include fruit juices, seltzer water, and Pure Leaf iced tea. Soda and energy drinks will not be served.

With Snack Shack becoming very popular, we have expanded Snack Shack to be available each day of the week through our lunch program. Parents may either include an *Add-On* item with their child's lunch order, or use the *Walk-Up Wallet* option. (More information below on both options).

### **Menu Options**

- Below is the weekly menu of hot entrees. Each day students will be served fruit and water with their lunch. In addition to some new menu items, pizza will be available each day of the week.
- New this year, parents are able to include an *Add On* item to their child's menu, such as our Famous Cookie or a snack. Snacks include chips, pretzels, fruit snacks, Oreos, etc. All snacks are nut free.

**Daily Specials**

Hot dog w/ fries	2 slices of pepperoni pizza (\$9.00)

**Ordering Process**

The cost of lunch for Monday through Friday is \$8.50 per day, with prices varying for pizza orders.

SJP has gone completely online for our ordering system. We have partnered with Boonli, which will allow parents to have direct access to their child’s lunch account.

Please click the link below if you would like to register your child/children in the lunch program this year. Attached is a step-by-step guide to create an account and submit your lunch order. **Lunch orders must be placed by Wednesday, September 4<sup>th</sup>**

[sjp.boonli.com](http://sjp.boonli.com)

After Tuesday, September 4<sup>th</sup>, the Boonli portal will close for September to December ordering. If you need to add or revise specific days after the first week, please email me at [ascotti@sjpschool.org](mailto:ascotti@sjpschool.org).

Revisions can be made throughout the year to your lunch order for the following month. All revisions must be submitted to [ascotti@sjpschool.org](mailto:ascotti@sjpschool.org) by the 25<sup>th</sup> of each month. No revisions will be accepted for June.

**Boonli Annual Program**

- Payment for the lunch program can be made either using a credit/debit card or via ACH transfer. Please note, processing fees do apply (3.5% for a credit or debit card, 1% for ACH transfer).
- **Please note, by participating in the lunch program, you are committed to the program for the entire school year.** If an order is not submitted for January to June, the system will automatically continue your September to December order.
- Parents will have the opportunity to submit an order twice per year for their child's lunch. Orders are submitted for September to December (**by September 4<sup>th</sup>**) and for January to June (**by December 27<sup>th</sup>**). A parent can choose to submit an order for September to June using the same system.

**\*New\* Walk-Up Wallet Account**

As an added bonus, parents will now have the opportunity to add funds to their child's lunch account for walk-up/ala carte purchases. Each day we will have snacks (chips, pretzels, fruit snacks, Oreos, ice cream, beverages, etc.) available for purchase. As an alternative option to cash, your child can purchase an item using the funds on their account. A student can have a walk-up wallet account without participating in the daily lunch program.

If your child forgets their lunch at home, the lunch staff will provide them a meal and your Boonli or FACTS account will be billed accordingly.
