

Algebra 1 Regents Summer Homework

Dear Students,

I hope you had a wonderful school year and are enjoying your summer! To make sure the math skills you learned in your 7th grade accelerated course stay fresh in your mind, I have put together an Algebra readiness test for you. It will review topics that you have learned in 6th grade, as well as some higher level topics covered this year. Use the link below to access the Google Form. This assignment will be counted as your first grade for Algebra.

I hope you continue to enjoy your summer! I look forward to seeing you in September!

All the best,
Mr. Scotti
