New Student Enrollment Form for Language Classes 2021-2022

Dear SJP Families:

We are delighted to offer a rich and growing language program at Sts. John and Paul. The program is a three-part endeavor:

1. French program for all fluent French students. This is a rigorous program.

- Cost: \$3,200 (PreK and Kindergarten) and \$4,100 (Grades 1 to 8)
- Enrollment fee: \$250 (covers the material costs)

If you need financial assistance for multiple children to participate in the program, we have a separate schedule for you. Please contact Mrs. Howard for that information. This is kept in the strictest confidence.

School provides English as a Second Language (ESL) - rate to be determined by the need.

2. French as a Second Language program for Kindergartners through eight graders.

- Funded by SJP and donations. *

3. Spanish as a Second Language program for Kindergartners through eight graders.

- Funded by SJP and donations. *

*As exciting as it is, there are staffing and materials costs. We are soliciting donations to keep us fiscally responsible to the overall school budget. Any assistance is greatly appreciated.

Please indicate below your language choice and **send your answer ASAP**. If you have any questions please contact Mrs. Howard (phoward@sjspschool.org) or Elsa Douineau – Director of Language program - (edouineau@sjspschool.org). We'll do our best to accommodate your choice. The choices will be allotted on a first come, first served basis.
