

## **Summer 2022 Reading/Writing Assignment for incoming 5th graders**

Summer reading is a way to develop a love for reading while maintaining the current level of skills that your child has worked so hard to achieve during the school year. Summer is a relaxing time, and there is no better way to relax than with a good book!

All incoming 5th graders are expected to complete the following summer reading/writing assignment:

1. The book that is the required read is "**Holes**" by **Louis Sachar**. This is a fun, fictional novel with most of the characters right around your very age.
2. Below you will find the directions for the written portion of this assignment. It is due the first day of school and will be your first reading/writing grade for the 2022-23 school year.

### **Writing Portion Guidelines:**

1. You are to write a full 1-page journal entry as any character in the novel. You can use one specific event from the novel, or the novel. The final copy should be typed using comic sans font and 13 point size. Make the journal entry interesting. Give specific events, details, characteristics, etc... Build up excitement and make it interesting for the reader.
2. Design a new cover for this book. Include the title, author, and an illustrated picture of your own that shows the reader what the book is about. This could simply be done on a sheet of white computer paper. (It will be the cover to the written portion of this assignment.) Make it colorful and related to the book you read.

I have no doubt you will do a great job! Remember, always add detail. More is always better when it comes to writing. Have a great summer!!

PS... **AFTER** you read the book, watch the movie. It's great!!!

## Entering 5th Grade Math Summer Homework

Dear Students,

I hope you had a wonderful school year and are enjoying your summer! To make sure the math skills you learned in your 4th grade course stay fresh in your mind, I have put together some questions for you. It will review many of the topics that you learned this year. Use the link below to access the Google Form. This assignment will be counted as your first grade for the quarter.
