

I have some very exciting news! We have partnered again with Division Restaurant Group* to provide our students with a great lunch program. Division worked with SJP for many years prior to Covid, and we are happy to welcome them back to our school. The menu has gone through a complete change, offering hot entree options throughout the week, as well as offering sandwiches and salads as additional choices.

The food staging area in the Marian Hall (Auditorium) has undergone a renovation. The space is fitted with restaurant quality refrigerators, freezers, hot boxes and prep sinks. Having received input from several restaurant owners and designers, the space will help us continue to serve lunch to our students safely and efficiently.
