

STS. JOHN AND PAUL SCHOOL

2023-2024

TO: Parents of students in grades Pre-K, K, 1, 3, 5, 7 and all new students for the 2023-2024 School Year

FROM: Mrs. Linda Corrigan, RN

A Physical examination done within the last twelve months is required by N.Y. S. Education Laws 903 and 904 for students in grades Pre-K, K, 1, 3, 5, 7 and all new students entering our school.

- 1) The Physical Exam Certificate and Vaccination Form: Please be sure it is signed and dated and that the vaccine side is updated.
- 2) The Child Medical health history form filled out by you: this information helps me to ascertain the current health status of your child. It does not require a doctor's signature.
- 3) Completed Dental Form.

If your child is to take medication in school on a daily basis or as needed, you and the child's physician will need to complete forms (available from me) for this purpose. Please note: this includes **TYLENOL & ADVIL**.

REMINDER FOR 6TH, 7TH, AND 8TH GRADE PARENTS: Varicella (Chicken Pox) vaccine is now required for school attendance.

Also: **Tdap** vaccine is required upon entry to 6th Grade. If your child is only 10 yrs. of age upon entering 6th grade you may choose to wait until your child is 11 years old to have this vaccine.

Meningoccal vaccine is required for 7th grade.

Please find the forms you will need within the website.
