

Dear Saints John and Paul Task Force:

I am quite excited to be working with the following people to ensure that Saints John and Paul will implement the best future for our students going forward. This task force will discuss all of the considerations for the Fall through small focus groups and will tackle the three different scenarios proposed:

- Open Campus - with public health guidelines in place.
- Hybrid Model - Some students on campus while others are remote learning.
- Remote Learning - Distance learning for the whole school.
